GUIDELINES

Conditions for approval to take the specified EKin courses:

GRADES

General rule. To be accepted as an Individualized Major with a Statement of Purpose and a Plan of Study that includes an EKin-sport-related focus, a student must normally have a total GPA of 2.7 or better at the time of application to the Individualized Major Program. This rule will be relaxed in two cases:

Exception 1: (i) The student's total GPA is greater than or equal to 2.3 at the time of IMJR application AND **(ii)** the two most recent semester GPAs were each 2.7 or better.

Exception 2: (i) A student makes an application to become an Individualized Major in his/her 5th semester or earlier AND **(ii)** the student's total GPA is greater than or equal to 2.5 at time of IMJR application AND **(iii)** the semester GPA in the semester preceding enrollment in approved EKin classes is 2.7 or better.

PROCEDURE

The student must meet with the academic advisor in the IISP office who will review the plan of study and statement of purpose and ensure that it meets the guidelines discussed above.

The student must schedule an appointment with the prospective advisor in EKin at least one week prior to the application deadline and must provide in advance via email:

- Unofficial transcript
- Statement of purpose
- Plan of study
- Date that Proposal is required for submission in the Individualized Major Program Office
